### SPECIAL CONSIDERATIONS

As indoor space at the Park is limited, it is necessary to have a rain plan for all events. Tents are helpful in the event of excessive heat as well. A 30x30 tent is available on site. Seating capacity under the tent is dependent upon layout. Should you need it, additional tenting is available through the vendors below.  

*We will not be able to move events to our museum campus in the event of rain.*
