I'm a Little Oyster

To the tune of "I'm a Little Teapot"

I'm a little oyster,

(hold hands together to form oyster)

small and swell

(move hands back and forth)

Open me up,

(open hands)

and look in my shell

(look down at hands)

I like to eat plankton,

(rub tummy)

all day long

(use ASL sign for day)

Cleaning the bay,

(pretend to wash window)

makes me strong!

(show off muscles)
