MISSION

To educate youth and adults about the importance of our environment and its unique features, the Annapolis Maritime Museum & Park plans to break ground on a new 50,000-square-foot expansion to accommodate private events. This expansion will enhance our capacity to connect with our community and their mentors.

COMMUNITY ENGAGEMENT

The Annapolis Maritime Museum & Park Campus includes a giant climbable crab sculpture and Upgrades to the Deadrise Pocket Park at AMM's Park Campus. The Pavilion engaged thousands of students from July 2022 to present a new, Changing Waterfront" exhibit that opened to the public.
