WHAT TO EXPECT

The Annapolis Maritime Museum & Park (AMM) Camp and Club programs immerse campers in the ecology of the Chesapeake Bay and the maritime history of Annapolis. With AMM, campers engage in hands-on nature activities, games, crafts, and both structured and child-led **OUTDOOR** investigation. **All campers may get wet and muddy as we explore our Park and Back Creek!**

WHAT TO BRING - Required for each camper:

- Lunch and Snack:** Campers need to bring a non-perishable lunch each day. There will be dedicated time each morning for a snack before lunch. This can be a separately packed snack or one item from the camper's lunch. We will provide an afternoon snack during camp and a snack during aftercare. Snacks will vary and may include fresh fruit, pretzels, crackers, s'mores, or popsicles. If you would like to provide your camper with a different snack option, please pack it with their lunch. We compost and recycle onsite and encourage waste-free lunches when possible.
- Water:** Campers **must bring a labeled, reusable water bottle** to camp. We will provide water breaks throughout the day.
- Change of clothes:** Camp activities will get us wet/muddy. Please provide your camper with a change of clothes each day, including shoes and socks. A towel is also recommended for use after wet/muddy activities.
- Water shoes/Second pair of shoes:** Campers are required to wear shoes at all times, and we recommend campers bring a second pair of shoes (water shoes or shoes that can get wet) to wear during wet/muddy activities. We find campers are more comfortable being able to change into a second, dry pair of shoes rather than wearing wet water shoes throughout the day. All shoes should have a sturdy sole and strap to keep the shoe on. **Flip flops and crocs are not permitted at camp.**
- Other items:** Be sure to bring hats, sunscreen, bug spray, etc.
- Medication Administration Authorization Form:** Only required for campers who will be taking medication at camp for daily administration or emergencies, such as an inhaler or Epi-Pen. (see forms section below for more information)

Leave at home:

- **Please leave valuables, toys, phones, and other electronics at home. AMM is not responsible for lost or broken items.**

WHAT TO WEAR:

- **Campers should wear weather-appropriate, comfortable clothing that can get wet and muddy.** Shoes should have sturdy soles and a heel strap (**no flip flops or crocs**). **Campers should wear or pack appropriate clothing for the weather in the event of cold, heat, rain, or storms.**
- Apply sunscreen and bug spray *before* arrival. Also pack sunscreen and bug spray in camper's belongings to reapply after lunch. Campers will be reminded to reapply, and counselors can assist in the application, if needed.
